

ECUC Final Conference

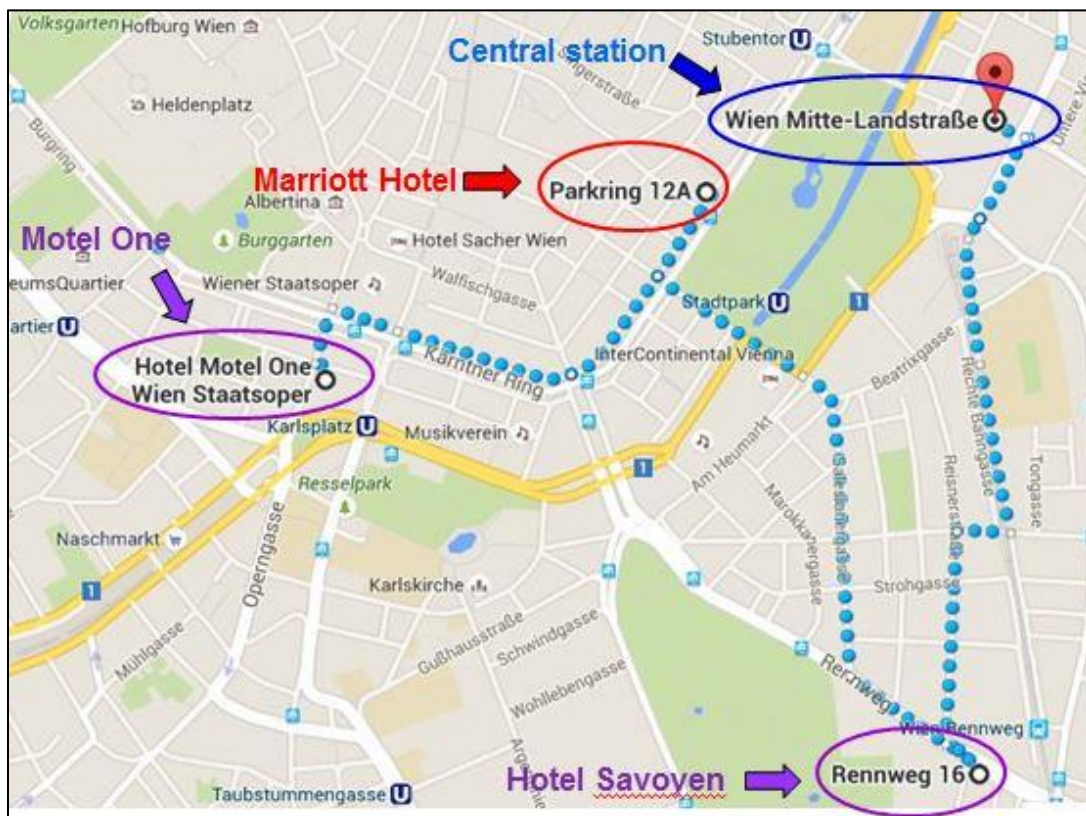

Paving the way to higher compatibility of Eddy Current Brake in Europe

Vienna, 27 August 2015

Marriott Hotel, Parkring 12a

Logistical Information

The Conference will take place in the central Marriott Hotel, which is located at walk distance from the Central Station.

The center of Vienna is easy reachable either by public transport or by the City Airport Train (CAT) which connects the Airport of Vienna with the Central Station in 16 minutes. The tickets are available on the CAT website www.cityairporttrain.com

The ECUC consortium suggests three hotels as accommodation those who will arrive the day before the Conference:

- Vienna Marriott Hotel (venue of the Conference):

The afternoon session of the Conference will be dedicated to a technical visit in the Knorr-Bremse facility in Mödling where Eddy-Current Brakes are designed and produced.

The Knorr-Bremse Group, based in Munich, Germany, is the world's leading manufacturer of braking systems for rail and commercial vehicles. Present in Austria since 85 years.

In the course of the visit through Knorr Bremse you will see the "Test site" and "Manufacturing", visualizing its project.

ECUC has organized a bus to and from Mödling which will leave the Marriott Hotel just after lunch at 14:00 and will return at 16:30.

After the production tour, Knorr Bremse invites all participants for a typical Austrian dinner at the Heurigen Spätrot / Bruckberger <http://www.heuriger-spaetrot.com> (Wienerstraße 1, 2352 Gumpoldskirchen). The dinner will be served from 17:00 and the restaurant lies only 10 Minutes from Knorr Bremse facility. A shuttle bus will run to bring participants to the restaurant and back to the center of Vienna at around 20:00h.
